With pleasure we can now offer the new apartment project "Del Mar" located only 50 m from the beach Los Locos in the center of Torrevieja. It offers a total of 22 apartments spread over six floors with two or three bedrooms and with a cool communal pool area on the roof. All floors are accessible by lift and also offer spacious terraces from 8m² up to a full 78m² depending on which floor and apartments you choose. Here you literally live so you can feel the sea breeze from the terrace, only 50 m down you have the sand between your toes and Torrevieja's cozy promenade. You are welcome to contact us for further information about this fantastic project which is expected to be ready September 2022.
