The Granado Community comprises a total of 16 modern design villas in Las Colinas Golf & Country Club developed in 2 phases. The first phase includes 7 villas, all of them on one floor, with private swimming pool and beautiful gardens. Marjal has provided these homes with a distinctly modern and warm interior design.

Las Colinas Golf & Country Club is an exclusive residential complex with low housing density and built around an award winning 18-hole golf course. In a privileged location, Las Colinas sits on a valley surrounded by hills and a Nature reserve of protected land and woodland. Las Colinas Golf & Country Club stands out for its privacy, natural beauty, exceptional climate, extremely good connections by road, train and air and conservation of the natural surroundings. It's homes, amenities, infrastructures and the golf course itself all blend perfectly into the landscape.
