Welcome to beautiful Residencial Mar Egeo and these fantastic newly built villas that have three bedrooms and bathrooms with golf heating included.

Different models will be built here, where you can also choose a furnished basement for a cost. In all basements you can park your car if you wish and those without have private parking on the plot.

The villas are built in a beautiful choice of materials by a major builder here on the Costa Blanca and are well thought out for year round living or holiday celebrations. Perfect for the larger family who love golf or just want to enjoy beautiful nature.

Large living rooms open plan to the kitchen, some models are on one level while some are on two levels with the master bedroom one floor up with an en-suite bathroom.

All villas have a private pool, large terraces and large plots. Here you can really enjoy yourself after a round on one of the best golf courses on the Costa Blanca.

Beautiful La Finca offers you first-class golf, fantastic restaurants, a sports center and a beautiful spa, perfect for those of you who want to enjoy your vacation to the maximum.

Spacious bungalows and beautiful townhouses will also be built here.

You can reach the Mediterranean's lovely beaches in about 20 minutes by car.

You can reach the popular Algorfa, a lively Spanish village, in a few minutes by car and the popular Ciudad Quesada is only 10 minutes away by car.

We at Lotus Fastigheter offer our customers for new construction a complete furniture package containing various furniture, appliances and air conditioning.

Welcome to contact us today to reserve your dream bungalow in the sun.
