We are now pleased to present the new project in Gran Alacant "Amara" which offers apartments with two and three bedrooms and two bathrooms all with parking and storage.

All have generous patios where the ground floor has a garden plot and the penthouses private roof terrace.

Open and modern floor plans and a cool courtyard with swimming pool for adults & children and a playground for the little ones.

All apartments include parking and storage as well as pre-installation for charging port for electric car.

Here you live in an area close to the beach with beautiful nature around and close to the shopping center in Gran Alacant and Santa Pola's lovely port.

You are very welcome to contact us for more information about this great project.
