We hear at lotus properties are proud to advertise this brand new development that will be ready in June of 2024. The villas will be built to a very high standard and are situated in a beautiful and tranquil setting with just a walking distance to the famous vista bella golf course.

All of the properties will be built on 2 levels and as you enter the villa there is a large terrace/garden with its own private swimming pool and parking space. Also there is a large porche way for entertaining and dining with guests and family. The plot is surrounded with secured walls and electric gate and has the option of an alarm system for maximum security.

The terrace is open to the living room by sliding patio doors with electric blinds and it greets you to a large and very spacious lounge and dining room with an open plan kitchen. Leading off the lounge there is a large double bedroom with a family bathroom next to it.

As you walk up the stairs to the second level there are two more spacious double bedrooms that are both equipped with en-suit bathrooms. Both bedrooms open on to a huge balcony that is perfect for catching some evening sun.

The hole house is equipped with electric blinds/ solar panels for hot water and the bathrooms all have underfloor heating.

Vistabella golf resort is in a countryside setting but has easy access to everything from bars, restaurants and supermarkets. It is only a 20 minute drive to the white sandy beaches of Playa La Mata and Playa Guardamar. You can reach alicant airport in just 40 minutes.

With all new builds lotus properties are pleased to offer a great white goods and furniture package
