Ciudad Quesada has a lot of green areas, parks with natural Pines and spectacular views of the sea and "Laguna de La Mata" that you can admire from the terrace or solarium. This is a place where respectable Europeans are living all year: British, Scots, Norwegians, Dutch, Belgians and Spanish.

There is also a British school, "Willow International School", for children from 3 to 18 years old from all over the world. Also, less than 2 km from the house there is a water park of Rojales, the mall of Ciudad Quesada with many shops and entertainment centres.
