With pleasure we can now offer this new beachfront project Higuericas Bay in Torre de la Horadada. Apartments with two or three bedrooms and two bathrooms are offered here, all with open and modern floor plans. Apartments on the ground floor have a garden plot, the middle floor a balcony and the penthouses a private roof terrace.

The area will have a common green area with 2 pools, one of which is for the little ones.

There will also be parking for all homes.

Here you live in a genuine Spanish village with proximity to the beach, shopping centers and the port of Torre de la Horadada and San Pedro del pintatar.

You are warmly welcome to contact us for more information on the apartment that suits you.
