This spectacular new project offers a beautiful residential complex of 48 luxury single-family homes in San Miguel de Salinas where each residence has 3 bedrooms and 2 bathrooms, as well as a private roof terrace with sun rays from morning to evening. The houses are built with high-quality materials to ensure durability and a first-class finish. The kitchen contains complete furniture with high and low cabinets, porcelain worktop and a kitchen island equipped with an induction hob and integrated extractor, which provides a functional and modern space for cooking and socializing.

In addition, power, water and TV antenna sockets have been provided in the solarium, making it easy to connect electrical appliances, water access and outdoor TV entertainment.

Finally, each lot has a perimeter fence consisting of a wall and a metal fence, providing residents with privacy and security.

In summary, this housing development offers both comfort and modern functionality to be able to enjoy it in the best way, regardless of whether it will be a permanent residence here in Beautiful San Miguel, or a top-class vacation home. Welcome to contact us today.
